CURA Legacy

We are proud of our specially designed, most popular, Care Chair – The Legacy. Boasts incredible comfort, adjustability and is the perfect addition to your home.

We have designed and developed this chair to be the most cost effective and adaptive Care Chair on the market today. It offers an excellent seating solution to over 85% of the population.

The Legacy comes as a manual or electric functioning chair with tilt-in-space, legrest elevation, and back angle recline as standard.

It has multi-directional braked castors for full mobility and offers the unique functions of adjustable seat depth, width and height change. This versatile chair is fully customisable and available in a variety of fabric and colour options.
